ABOUT US

LIR LINE Company started on 2015 which has grown to become a recognized world class leader in the full range of forwarding, transport, logistics and shipping services industry with its core in freight forwarding by sea as well as air and land. Our enthusiastic team of specialists has many decade of experience in the international shipping industry. We pay personal attention to each and every shipment are delivered by a competent team of highly motivated individuals who embrace change and take responsibility for leadership in productivity and innovation. This underscores their firm commitment to service quality & best logistics solutions that we want to provide in the worldwide market.

SEA FREIGHT

Through our extensive global network, we extend our service to all major seaports throughout the world. Working within this network and utilizing our multiple carrier partnership agreements, we are able to provide our customers with reliable and cost effective Sea freight solutions.

AIR FREIGHT

We offer highly flexible to meet specific customer requirements. While door to door is our standard offering, airport to airport, door to airport and airport to door options are also available. Working together with carefully selected carriers, we operate with schedules on all the world's major routes so you can plan with certainty for greater efficiency.

ROAD FREIGHT

We extend our service to all major Districts throughout All over India. Working within this network and utilizing our multiple Transport carrier partnership agreements, we are able to provide our customers with reliable and cost effective cargo pickup and delivery freight solutions to their Export, Import and cross trade shipments.

WAREHOUSE 3PL

M/s LIR LINE is the leading partner of choice where customers can enjoy secure, reliable, accessible and well-managed distribution centers that are synchronized with their supply chain operations. We offer value-added storage and logistics solutions encompassing warehousing and distribution as well as a wide range of other related services including labeling, packing and unpacking cargo directly from containers and distribution of packed goods.

CUSTOMS CLEARANCE (Import/Export)

Our dedicated team will clear your cargo through all Customs procedures with minimum delay, ensuring that your cargo is cleared promptly and delivered on time. We shall extend our services to Import Duty & tax assessment, Import & Export procedures, All Types of Customs declarations and Multimodal & Transit formalities.
